# About us

## THE SCHOOL

Prakramika was founded in 2015, as a Social Enterprise, by its founder Dr. Gayatri Narasimhan, with an objective to have a dedicated organisation to cater to the needs of Children with Special Needs and undertake other related activities. The Institution provides vocational and skill development courses to ensure overall development of the student. In 2021, we incorporated it as One Person Company - Prakramika Vocational Institute.

## THE QUALITY

We are ISO 9001:2015 Certified

We are also registered under The MCA  
(The Ministry Of Company Affairs)

### PVI ESSENCE

#### VISION

To touch the lives of maximum number of neuro diverse across the globe for their betterment.

#### MISSION

To improve the quality of life of children with special needs, equip them to be independent and integrate them in the society to lead a meaningful and dignified life.

#### VALUES

Empower effectively and include with dignity - all only as a service i.e. FREE OF COST.

#### BRAND

Inclusive Universe

# Our Speciality

- We have *redefined* the online teaching methodology.
- Our courses are delivered with an *engaging* and participative approach.
- We believe in the *potential* of every student and aim to bring it out.
- Our courses carry a blend of technical skills, soft skills and *value building*.
- We *revolutionize* the standard of learning & development.
- We provide *tailored* training solutions.

# About The Founder

Dr. Gayatri Narasimhan, is a passionate Special Educator, Inclusive Education specialist and Vocational Trainer with over a decade of experience in this field.

She founded Prakramika in Chennai, in 2015, to cater to the needs of children with special needs, their parents and caregivers with an objective to give meaning to the life of these children. Through dedicated and focussed training programmes and intense efforts of placement, she has brought dignity in the life of several children with special needs.

In 2022, Dr. Gayatri Narasimhan launched her debut book **INVAS: An Integrated Curriculum For Vocational And Skill-Based Training**. Her book advocates the need for a structured curriculum for the neurodivergent students.

It is no surprise that several accolades followed her in a very short time. Among the many it is noteworthy to mention the prestigious AKS Global best Principal Award for Prakramika Vocational Institute and the recent Oman Women Leadership Award by World Women Congress and CMA, Asia.

She feels that every one has certain capability; only thing is we need to tap their potential and motivate them, then you will be surprised to their capabilities.
